

FOR THE KIDS
13+ YEARS

Scuba Discovery, Elba

Take the plunge and explore the deep blue sea on our scuba discovery courses! Kids will learn about Scuba equipment, how to use it, how to be safe underwater and the philosophy of Scuba. Don't miss out on this exciting opportunity and join us in Elba this Summer for the chance to explore the underwater world.

JUNIOR/OPEN WATER DIVER COURSE

Junior Open Water Diver and Open Water Diver are the first dive courses that children and adults can do. Thanks to the modern Scuba equipment, today it is easy to go underwater and really have fun. In fact during the course students learn all that they need to be a good diver, but they also come in contact with the sea and they receive the entire concept to learn and to respect the "sea world". The PADI Open Water Diver course teaches student divers the foundational knowledge and skills they need to dive.

After the course, the student is qualified to:

- Dive with a buddy while applying the knowledge and skills they learn in this course, within the limits of their training and experience.
- Obtain air fills, Scuba equipment and other services.
- Plan, conduct and log open water no stop (no decompression) dives when properly equipped and when accompanied by a buddy in conditions with which they have training and/or experience.
- Continue their dive training with a specialty dive (Adventure Dive), in the PADI Adventures in Diving program or in PADI Specialty courses.

A 12 to 14-year-old Junior Open Water Diver is qualified to dive until 18 metres only when accompanied by another certified diver who is of legal age. Legal age is defined as an individual who is at least 18 years of age, except where law defines an older age. A certified Open Water Diver (starting from 15 years old) is able to dive until 18 metres with a buddy, independent of supervision.

Short introduction Scuba courses are available as are bubblemaker courses for younger children and all sorts of advanced and speciality courses for experienced divers.

“By the evenings they were exhausted and the smiling faces said it all! They loved time away from Mum and Dad, and we could relax knowing they were so well cared for.”

HOURS

The courses are held every week from Monday to Sunday from June to September. The timetable is decided locally with the client.

PRICES

From £345. Prices include learning material kit, international certification, equipment, instructors and boat trips for diving.

CERTIFICATION

At the end of the Scuba Diving Courses, each student will receive a PADI international certification.

SAFETY

Safety is always at the top of our agenda for our teenage activities. The professionals we work with are of the highest calibre and are fully trained to teach your children whilst allowing them to have fun.
