

CASA PRADA GARDEN APARTMENT

FLIMS, SWITZERLAND

Casa Prada is a luxury chalet designed by Powder Byrne Properties and built in the traditional Valsler style with a burnt timber and lime rendered exterior adorned with burnt timber shutters and hand carved motifs. It is home to three apartments. The interiors of each apartment are in a modern-classic timeless style and feature unique touches made by each owner. The soft furnishings are of the highest quality purchased from English and Swiss Design companies that compliment the chalet with a combination of modern and traditional styles. The kitchens and bathrooms are fitted with high quality modern appliances and fittings. The chalet occupies a rare and unique location only a short walk to Laax ski lifts or quick drive to Flims ski lifts with clear views of near and distant mountain ranges and the piste.
